GETTING TO COORONGOوبا CAMPGROUND

[All distances are approximate.]

From Lithgow: turn right onto the Great Western Highway at the Lithgow MacDonalds.

Follow the signs for Mudgee. 6km from Lithgow, take the off ramp following the signs to Mudgee (you are now on Castlereagh Highway). Continue along Castlereagh Highway (36k) past Wallerawang Power Station and through the towns of Cullen Bullen and Ben Bullen. In the town of Capertee, turn right onto Glen Davis Road. Continue for approx. 35k (Glen Davis Road turns into Glen Alice Road at an intersection but follow signage to Glen Davis. 1km before Glen Davis village turn left onto Goora Street (you can easily miss this sign at night). Follow the signs to the Campsite.

Once in the campsite, follow the fire trail towards the far end, this is about 100m from the locked gate and has good level spots to camp and is closer to the toilets than other spots that are available.

This is the spot that you should look for other members of the party, or if you are first to arrive, others will look for you here (or close to this spot). The campground gets quite crowded on weekends.
